My Lord,

Adverting to your letter of the 19th May, 1905, in relation to your application for a grant for church purposes of Local Subdivision 16 of Section 31, Township 51, Range 14, West of the Fourth Meridian, in the Edmonton District, and to the communication of the 6th of the following month, I have the honour, by direction, to inform you that the report from the Homestead Inspector in the matter of the application in the property has now been received and that it would appear, from such report, that the whole of the Legal Subdivision in question would be required for the purposes. I am, therefore, to request that you will state whether it would be satisfactory to you if the grant only of the Legal Subdivision were patented to La Corporation Episcopale Catholique Romaine de St. Albert.

I am to add that the legal representative of the deceased homesteader would appear to be anxious that the whole of the Legal Subdivision in question should be included in the entry.

I have the honour to be,

Mr. Carré

On 20th Sep. 1900. Bishop Legal applied for a grant to R.C. Church of L.S. 16 of Sec 22-54-11 W. 4. The grant was authorized on 14th Sep. 1901.

In April 1905 all the usual conditions had been complied with except the erection of a church. It is only on the 12th inst. that the Hom. Lieut. reporting as to the homestead duties made by the deceased entrant for the bal. of N.E. of the above section, mentioned the fact that there was a church on L.S. 16 "a small log building which has only been used for church purposes in fine times, if still".

Bishop Legal being written to on 8th ult. on the subject of reducing to 10 acres the area to be granted for church purposes in order to have the bal. paid to the pers. rep. of the

RF-1 400

Lalé à J. Berlinguette, replied on the 19th of the same month, insisting that the grant authorized in 1901 be maintained in its original area of two acres.

I am of opinion that the more or less frequent use of a church or chapel in a country of missions has nothing to do with the earning of title for a church grant, that we should proceed at once with the issue of patent to La Corporation Episcopale Cath. Rom. de St. Albert, parish of St. Benedict.

Sir,

Please find enclosed herewith a letter from Mr. M.T. Buchanan, of Ingersoll, Ontario, in which he expresses a wish to purchase the North half of the South East quarter of Section 12, Township 4, Range 29, West of the 4th Meridian. This land is vacant in the records of this office.

RECEIVED

The Agent at Lethbridge submits the application of Mr. M. T. Bolsover, of Ingersoll, Ont., to purchase the N. ½ of the S. E. ¼ of 12--4--'9, W. 4th,, which is vacant in the records of the Department.

Although, under our present practice, even-numbered sections are held exclusively for homestedd entry, as the applicant in this case was the resident of the S. ½ of the section, there appears to be no objection to allowing him to purchase the 80 acres applied for at the current rate of the usual terms. He paid in, however, advance rent for a casual lease to Mr. H. J. Christie, and included in a remainder lease to Mr. Christie, and under the terms of this lease the area covered thereby may be disposed of; but, under your usual ruling, before any sale is made the land covered in lease, therefore must first be homestead forfeited in order to ascertain whether or not the carrying out of the terms under the settlement leased will be to the detriment of the lessee.

The James A Smart
Deputy Minister of the Interior
Ottawa.

Dear Sir.

You may remember my having called upon you at your office in Ottawa during the summer of 1901 to obtain information in reference to settling on Dominion Lands in the North West. You may remember, too, my going to Montreal for contemplated throat trouble (laryngitis) which threatened to compel me to retire from the active duties of the ministry. I have been here now for one year and my voice is worse, notwithstanding the change of climate; and the opinion of my physician is being confirmed. When I asked his opinion as to the prospect of recovering my voice by change of residence he frankly said "The change you need is change of occupation". I have taken this change of occupation by obtaining land here in Northern Alberta, I obtained a C. P. R. 1/4 section first and shortly afterwards made entry for a Homestead 1/4. An effort is being made to cancel my entry and it is in reference to this that I am writing to you now. My deputy will, I presume, be in town tomorrow in a few days. I trust that you will find it quite satisfactory and that cancellation will be refused. There are just a few points to which I would respectfully call attention.

(1). Private entry on Nov. 1901. my receipt is dated Nov. 13th.

(2). My perfected entry on the 24th May 1902 by going into residence on my C. L. 81 per Howland me letter to reside on my C. L. 81 per

(3). My perfecting of entry was within the time prescribed for entries made after the 1st March to be per June 1st

(4) My proper defence of my entry will include the residence of my daughter Mrs Hutchins on my C. L. 81 & then on my Homestead

(5). The date per which improvements on my Homestead are to be reckoned is the date of my perfecting entry, May 24th last.

(6) It is, therefore, not a year, since improvements should be expected, and yet cancellation is attempted within the year, and notwithstanding the facts I have mentioned in my defence

(7) I trust it will appear evident to you that I am a loyal subject as well, that I have at least reasonably well improved my Homestead under the circumstances, and that there is really no valid reason for the effort that has been made to cancel my entry

(8) This year and in subsequent years, D.V. I expect to cultivate more of my Homestead than of late, for the reason that it is the better suited. If the law for that purpose

Please the honor to be

I would like to obtain a recommendation for it, as soon as possible, as then I might take a small loan to enable me to make improvements that I should otherwise not do. I am just up here to accommodate my live stock on the homestead as I have no other accommodation for my stock & my C.P. is 4 miles from my residence there. I bring attention as a reason why it would be a great convenience to me to have this matter settled this spring, if possible, that I might be able to move my family & effects over on the homestead before the winter sets in. Sir,

Referring to your letter of the 9th ultimo, No. 354672, ref.334238, I am directed to say that on the 17th of May, 1895, the Agent of Dominion Lands at Lethbridge, was informed that Messrs Garnett Brothers of Pincher Creek had been permitted to relinquish their lease of Ranch 93, with the exception of the following described lands; the South East quarter of Section 34; the South half and North East quarter of Section 35; those portions of Sections 26 and 27 north of the South Fork of Old Man's River; and that portion of the North East quarter of Section 23 North of the River, all in Township 6, Range 2 West of the 5th Meridian.

There would therefore appear to be no objection to entries being granted in the remainder of the tract formerly leased to Messrs Garnett Brothers, but as it has been decided that all applications for entry within the tracts formerly under lease should be submitted to Mr. Pearce it will be necessary for the Agent before accepting an application to submit to Mr. Pearce any applications.

1. That on the 12th day of June 1901 I was issued a receipt for the homestead entry for on the North west quarter of section 28 in township Four in Range Twenty nine west of the fourth meridian, Alberta, by the Dominion Land Agent at Lethbridge.

DEC 1 - 1905

This is to certify that Donald McRae had his shoulder injured, (dislocation) and also his head in June , which injuries make it impossible for him to fulfill his homestead duties. His shoulder is still painful, and he is unable to raise his arm above the level of the shoulder. On account of his age, which is 74, it is very unlikely that there will ever be any great improvement in his condition, and for this reason it is necessary for him to live in town where he can ~~have~~ receive from his wife and family, the care and attention which his age and disability render necessary.

The Secretary,

Dear Sir,

re N.W.¼ 26-4-29-W-4th-M.

I enclose affidavit, accompanied by medical certificate, of Mr Donald McRae, who entered for the above quarter section as a homestead, in 1901, but who is incapacited by ill health, and advanced age, from fulfilling his duties thereon, having to reside with his family, that he may receive the care his condition requires, and be within easy reach of a medical man. I beg to recommend this case to the favorable consideration of your department, Mr McRae being really unable to continue to reside on and cultivate his homestead, and being in such a position, financially, that it would be a very serious matter to him to lose the time and money already expended by him in endeavouring to fulfil his homestead duties. He brought with him to the west in 1901 a large family, two of his sons have obtained homestead patents; in fact the family are among the best class of settlers, and Mr McRae's application would if necessary receive support from many persons of good standing who are acquainted with the circumstances.

Sir,-

In reply to your letter of the 14th inst., I beg to say that there is no right of search for land at the present time, from locating soldiers, but the Department finds it necessary to limit the period of personal residence of homestead entries, and to fix the limits of time within which to go into residence and comply with the requirements of the Act in respect of the Soldiers' Land Grants. I cannot be certain, but I would think that you have already been granted this privilege, and unless you fulfill the conditions of your entry, it may not be possible to refuse cancellation should anyone apply for an inspection.

Dear Sir:-

Your favor of the 6th. ult. was received, Lr. 42064 Files 8318 & 17095. Have they not made some mistake at Ottawa? I am not making any claim for any residence duties on my former Homestead. What I do claim is, that I have done all and more than required by the Homestead Regulations. Having resided on this my present Homestead (S. E. 1/4 32, T. 33, Range 1, West 5) for over six years continuously. Also that I have done more improvements than the law calls for.

All my neighbours who settled in this district after me, and who have done no more and some less duties on their places have received their patents. Why should there be any exception in my case. You will be conferring a favor if you will explain the case to Headquarters and probably then will see the injustice of it.

Sir,

Pt.S.E.¼-13-8-22-W.4th M.

I have received a letter from the Rev.Leo Van Tighem saying that he is in receipt of a letter from the Department, through the local Dominion Land Agent, advising him that the portion of the South East quarter of Section 13, in the above Township, lying West of the river will be granted to him in lieu of the fractional quarter section lying East of the river. The registration of the Patent in favour of Mr.Van Tighem was purposely postponed as it was anticipated that there would be some negotiation between the Department and him. Therefore under the circumstances, instead of taking a surrender from Mr.Van Tighem the Patent can be recalled if you so desire, and it is enclosed.

If, on the other hand, it is desired that the Patent should be registered and a surrender take place, the Patent will be registered on its being sent back to this office.

It should be pointed out that Mr.Van Tighem's name is as spelled here and not with a final "n".

Sir,-

- Re S.E.¼.27-9-2-W.5th - Agreement 71¼ C.& E.-

We beg to acknowledge receipt of your favor of the 27th Ult:o, Reference No.651416, in which you state that it is the intention of the Department to issue patent in the name of Harry Gifford Nash for the mines and minerals under the above mentioned land and ask if there is any objection on the part of the Calgary and Edmonton Railway or the Calgary and Edmonton Land Company, to any action being taken. On behalf of the Calgary and Edmonton Land Company, we beg to advise as follows:- The mines and minerals being issued to Harry Gifford Nash, the surface of the land only having been sold to and paid for by him at the usual price of surface rights and subject to the express exception in the agreement of sale to this reserving the "mines, minerals, coal or valuable stone in or under the said land".

The Certificate of Title as issued for the surface rights and excepting the mineral rights, has been accepted by the purchaser Nash, who was well aware that he was not entitled to the mineral rights. Our assignment filed in the Department, apparently did not contain the reservation of mines and minerals but as the patent issued to the pur-

chaser did make this reservation and as between the Land Company and Nash he was not entitled to the mines and minerals, there should not, we think, be any difficulty in having the Company's rights protected and a patent issued to the Land Company for the mines and minerals.

We shall be glad to hear from you as to what further material, if any, you will require to enable the patent for the mines and minerals to be issued to the Land Company.

The position in which the Company was placed as to the minerals in these lands by the view adopted by the Government in the first place, no doubt led to the form of transfer filed, but it is an error which can now be corrected and we should be glad if the Department would deal with the matter in this way and have the patent for the mines and minerals issued to the Calgary and Edmonton Land Company, Limited.

Sir,-

Re S.E.¼ 27-9-2 W 5 .

Your letter of the 10th ult received. We think under the circumstances the Department should act upon a sworn statement which we shall be willing to furnish as to the assignment filed in the Department having been executed in error.

The circumstances are peculiar to this extent that the forms of assignment in this and similar cases were no doubt directly induced by the view which the Department had expressed as to the rights of the Company adverse to their claim for mineral rights. Accordingly, we would propose asking the Department , on a formal affidavit or statutory declaration to be furnished by us setting out the facts, to notify Nash and other parties in cases similarly situated , that unless they within a certain time take proceedings to establish their right to the minerals patents for the minerals will issue to the Calgary & Edmonton Land Company.

It appears to us that this is a fair course to pursue and our view of this is greatly strengthened by the fact that in this case and similar cases each of the purchasers from us have accepted patents with the minerals reserved. We shall be obliged if

you will have this request considered, and if anything further is required which would safeguard the Department we shall be glad to furnish same.

We do not wish to be driven in each of these many cases to commence lawsuits to have it declared that the assignments as filed in the Department were executed in error, and no doubt in many of the cases in which notice will be served on parties as suggested by us they may write to the Department stating that they do not claim the minerals and thus remove any possible claim.

Sir,-

-Re S.E. 27-9-2 West 5th-

We beg to acknowledge receipt of your favor of the 9th inst., file No. 651448 regarding minerals under the land sold Harry Gifford Nash. It may be that the view adopted as to the Department not interfering might be a justifiable course to pursue in the ordinary course, but the circumstances here make it specially difficult for us in view of the trouble having been caused by the interpretation placed upon the Company's Land Grant Statute and Order-in-Council. Assuming that the view expressed will be followed by the Department, we now beg to state that we are in this particular case and in other cases where the circumstances are similar, taking immediate steps to present the parties with transfers and releases of the mineral rights, and in the event of their declining to execute same to the Land Company we have instructed our solicitors to take proceedings and file lis pendens so as to protect the Land Company's interests. In the meantime we beg to request that pending these proceedings, of which we now give the Department notice, you withhold the issuing of patents. We shall keep you advised from time to time of progress in these matters, and hope we may be able to arrange amicably with the various parties, but if not, we shall protect our rights in

Dear Sir:-

In reference to your recent verbal request for copies of three letters on file in this Department, I regret to have to advise you that as it is contrary to the practice of the Department to furnish copies of official letters, it is consequently not possible to comply with your request. However, I may say that in a case similar to the one we were discussing, the Department took the stand that the patent for the under right should be issued to the Railway and Coal Company. The Railway Company protested this view but the Department was upheld by the Department of Justice and rules, "The Department has no right in such cases to except the mineral from the grant to the purchaser, and has not the power to require the purchaser, as a condition precedent to the company proceeding, merely to require the purchaser to take proceedings within any limited time to establish their right to the minerals if they wish to receive a grant without an exception."

I beg to acknowledge the receipt of your letter of the 22nd instant, in which you state that Jesse I. I am also in receipt of a letter from the Secretary of your School District in which he states there are $10.00 of School taxes due on this quarter. Under the circumstances the homesteader is hereby notified to show cause why his entry should not be cancelled as per your application to cancel his entry made on the 3rd of January last. Sir,

Referring to your file #63570, I beg to inform you that enquiries have been made at this Office respecting the North East and the North West 1/4 of Section 16, Township 13, Range 6, West of the 4th Meridian, which lands are within the Irrigation tract of the Robins Irrigation Company (now the Southern Alberta Land Company) and to point out that according to the contract entered into with the Company they were granted only available land, and they are not entitled to any held under homestead entry, when the contract was made, whether or not such entry was afterwards cancelled.

Be good enough to reply at once, giving the present position of the 1/4 sections above mentioned, as it is reported that in the case of William Love, Junior, for the North West 1/4 of Section 16, Township 13, Range 6, West of the 4th Meridian, and that of Clarence Smith for the South East 1/4 of 6-14-7, W.4th, the improvements had been made, but the entries have been cancelled, and that the lands have reverted to the Irrigation Company.

MEMORANDUM:-

Re N. W. ¼ 16 - 13 - 6 - W. 4th M.,
cancelled proxy entry of Otto A. Burns.

This entry was cancelled for non-compliance with the conditions, and the land is being held in the meantime in connection with the application of the Provincial Government for land near Medicine Hat for the purpose of an Experimental Dry Farm.

When this proxy entry was made, the sum of $52.50 was paid on behalf of the intending homesteader for improvements.

This, no doubt, was for improvements made by the previous holder of the land, although the fact is not clearly set out on the file.

Burns wants his $52.50 refunded.

Under ordinary circumstances this money would be held for the previous holder of the land, and Burns would have to wait until the quarter-section was again taken up, but as it is held for the Provincial Government in the meantime, it is not probable that anything will be collected, at least for a time.

Under the circumstances should anything be done to meet Mr. Burns' wishes?

Respectfully submitted,

Form No. 17.

Medicine Hat March 29th 1892

To Common Lands Commissioner
Winnipeg

Sir. Will you kindly answer me the following question Two men in Medicine Hat went out on a ranch as partners with the understanding that each of them was to be equal partners in both land and improvements. they worked till 1890 when Charles Dempsey bought Manly Miller out except the land Dempsey owned the improvements and Miller owned the land. in May 1891 Dempsey sold out to me also gave me liberty to live on the place for at least one year and longer if I was not ready to move. Now Dempsey has sold out his right to the improvements to Miller and Miller has notified me today to get off the place so that he can prove up on the place. Miller has not lived on the place since he sold out his half interest to Dempsey in 1890. It is impossible for me to move off the place on such short notice without sacrificing a lot of work as I have not got a place fixed yet. I have manured some land I broke last summer and have the seed in and I will have to lose that as well I would like to get permission to live here till fall. Miller has got a letter from the land office telling him to get the sheriff and move me off as a squatters right is not noticed by the government I do not know to be right to the or deny millers right to the place but I think it is very hard for me to have to get off without proper notice. If I had been told to get off last fall I might have got off without trouble or loss. Dempsey wrote me this spring not to get off the place but stay right on it and now 2 weeks after I am told to get off right away. I am Crying for a living and if I have to move before fall it will be a serious loss to me. the place is on the seven persons creek about 19 miles south west of Medicine Hat I do not know the number of the section but I would like to know if he can move me without proper notice or will he have to pay me for my crop and seed hoping that you will answer full particulars with regard to the place I remain yours

Dear Sir:

Regarding S ½ of ¼ of Section 4. Township 12 Range 6. W. 4th M. 10 or thereabout I made application for this on May 7/07 and on May 13th/07 my fee ($10) was returned, owing to information that this had been reserved until 20th Nov. next I have since learned that D. C. Jackson of Medicine Hat is the man who is leasing it reserved for his son. As the Law requires Mr Jackson to own farm-land within nine miles of the above quarter section I find he does not own any farm land at all, and did not at the time, he being a town resident owning and renting houses in "the Hat" and is not a farmer at all.

I was advised by Mr L. D. Cochran your Land agent for Med. Hat District to write you. Be good enough to

advised me what to do, as I
wish to make application at once.

Dear Sirs,

Re - NE 20-38-28 W4

We have your letter of the 31st of August, 1949, advising us that there is a seed drain lien for $331.89 registered against the above land in the name of Mrs. Soley and stating that Mrs. Soley had already paid this account in full. According to our records this is correct and a Discharge of Mortgage No. 9487 was forwarded to the Agent at Red Deer on the 4th of July, 1910, with instructions to deliver it to the person who made the payment. He was also to advise her to forward the Discharge to the Registrar at Edmonton for registration. Evidently Mrs. Soley neglected to do this.

If the Discharge of Mortgage has been lost we shall be pleased to furnish a certified true copy on receipt of the usual fee of $1.00.

Enclosed, to be attached letter to the Minister from Mr. George Hopkins, in regard to the application of his step-son, James T. Masters, to acquire a homestead entry for the S.W. ¼ of 16, Tp. 1, West 5th M., I have on looking into the matter that the S. ½ of this section has been reserved for stock watering purposes. Mr. Morley, who you are aware has recently been examining these lands, has reported to the Department and has recommended that the reserve be withdrawn from the half section above mentioned. His report, however, has not yet been classified and, of course, no decision has been arrived at with respect to the recommendations it has made. At the present, therefore, I do not see that any definite reply can be given Mr. Hopkins, but if desired the letter of his step-son will be noted in the Patent Branch, so that the application may have attention after it is decided what disposition is to be made of the portion applied for.

Sir,

Referring to your letter of the 2nd instant, to the Sub-Agent at Lacombe, which has been forwarded to the Department, I am to say that it is not the practice to grant leave of absence for so long a time as you ask. The Local Agent at Red Deer is, however, being instructed to protect your entry for the S. E. ¼ of 32, 1, 2, West 4th until the 1st of June next. The enclosed printed memo will show you exactly what is required by the Dominion Lands Act and amendments thereto. The duties must be performed in accordance with one of the plans mentioned, as the Department has no power to make any changes therein. It is usual to require a settler to have thirty acres under cultivation when he is taking advantage of the provision in the law allowing residence elsewhere than on the homestead. Also when the homesteader is engaged to a considerable extent in stock raising a smaller area is accepted.

Hon. Senator Perley,

Dear Sir;-

I enclose a letter addressed to the Department of the Interior regarding the purchase of certain fractional lands in Sections 17 and 18,Township 10,Range 17,West of the 4th,which adjoin my homestead. The Government announced to the Land Agent here that no Government lands were on sale,but I think that under the circumstances and considering the location of the lands an exception might be made,and I would be very glad if you will take this matter up with the Department,and secure these two fractions for me.

Deputy Minister of the Interior,

Ottawa,Ont.

Sir;-

We have already approached your Department on behalf of Mr. James D. Fuller,who desires to purchase frpm the Government the following lands;-

That fraction of the N.W.¼ of Section 17,in Township 10,Range 17,West of the 4th,which lies South of the Belly River,and contains about 80 acres; also that fraction of the S.E. ¼ of Section 18,in the same Township and Range,lying South of the River,which contains 80 acres.

Mr. Fuller's homestead is the N.E.¼ of Section 18,and his son,Mr. J.W.Fuller,has homsteaded the S.W.¼ of Section 17,sp that you will see by reference to the map that the 80 acre parcel lies between the two homesteads,and that the 80 acre parcel lies directly to the North of and adjoins the homestead of J.D.Fuller. Neither of these parcels is of sufficient extent or contains sufficient good lands to be of use to any one else coming in,but it would be a convenience to Fuller to have the land,as it would enable him to conveniently include it in the tract which he has already fenced. We would accordingly be obliged if your Department would take this matter up,and let us know whether the lands could not under the circumstances be purchased by Fuller,and if so at what price.

Sir,- Re Sᵂ¼ 27-7-4-W.4th M.
John Weiss Jr.

I beg to inform you that evidence has been filed in this Department showing that the lien for $96.10 given to His Majesty in the right of the Dominion of Canada by David Weiss of Elkwater Alta., in connection with the NE¼ 20-7-2-W.4th Mer., which has been paid in full, the lien for $57.50 given by Jos. Weisz of West Wineham in connection with the NW¼ 30-12-10-W.4th Mer. and the lien for $24.65 given by John Weiss of Fox, Alta. against the NW¼ 12-7-2-W.4th Mer. have been wrongfully registered in the Land Titles Office against the Sᵂ¼ 27-7-4-W.4th Mer. formerly owned by John Weiss Jr. and recently transferred to David Weiss of Eagle Butte; that there is a further lien for $2.00 wrongfully registered against the land last mentioned which may be a duplicate of the lien for $2.00 above referred to, and that the said liens should not cloud the title to the last mentioned land.

You are, therefore, hereby authorized and requested to remove the liens enumerated above from the South-west quarter of Section 27, Township 7, Range 4, west 4th Mer.

A copy of this letter is being sent to Messrs. Laidlaw, Blanchard, & Co., Barristers, Medicine Hat, who have written to the Department in this case.

Kindly advise me of the action you may take in this matter.

Dear sir,

In reference to S.E. ¼ of 10. T. 25. Range 2 West of the fifth Meridian. I might state that said quarter was taken up as a homestead and that entry is now cancelled I have the S.E. ¼ adjoining said ¼ on which I live. I purchased the improvements some fourteen years ago from the government as being on the S.E. ¼ the stable being on

COMMISSIONER

the S. E. ¼ and since then I have made considerable improvements thinking all the time that it was on the ¼ that I had home-steaded now I should like to be able to purchase five acres or legal subdivision 3 & 6 or all of the quarter providing I get it at a reasonable price then the said ¼ is nothing but a gravel bed, it would be an impossibility for any man to make a living on it & to this the homestead inspector can certify, it is only on account of any buildings being on it that I wish to buy

Hoping to receive a favourable answer. I remain

Sir:-

I beg to acknowledge the receipt of your letter of the 11th inst., in which you ask to be permitted to purchase a portion of the S.W. ¼ of Section 11, Township 26, Range 2, West Fifth Meridian upon which you claim your stable was erected by mistake instead of upon your homestead, the S.E. ¼ of the same Section. In reply I am to say that it is contrary to the practice of the Department to make sales of this nature, but the Agent will be requested to obtain a report from the Homesteads Inspector to ascertain exactly how the mistake was made as to the dividing line, and whether it would not be practicable to remove the stable on to your own land.

Dear Sirs

I have been unable to produce a birth Certificate for the reason that at the place where I was born namely Exeter Nebraska U.S.A. they had not yet began recording births when I appeared.

My father & mother & sister & I years emigrated from Exeter Nebraska to Ponoka Alberta then N.W.T. in the years 1899 or 1900 when my father took out Canadian Naturalization

When I became 18 years of age I took up a homestead 160 acres 6 miles S.E. of Ponoka Alberta and after 3 years of residence I obtained title from the Dominion Government when I reached the age of 21 years November 6th 1905. The description of the property was the N.W. 1/4 section 4 – 42 – Range 25 West of 4 Meridian.

The question in my mind is would there be a record of the above transaction in Ottawa & if available would such evidence be sufficient to satisfy the pensions dept as to proof of age?

Memo. Mr. Cote.

This land was not in final accepted list of C.P.R. lands dated Dec. 28th.1891, but at the Company's request they were given the privilege of revising their rejection of the Odd numbered Sections in this and several adjoining Townships ~~are~~ on the 10th. September 1900, and no Homestead entries were to be granted on Odd numbered Sections 'till their examination was complete in a couple of months". They asked this year for an extension of time till the end of this year. See 640681 or 612698 which is the consent of the Company to an entry for Homestead on an Odd numbered Section in this same Township. As the Company have the promise of the Department to hold the land for re-examination I think they should be written to as to this application & the can hardly offer any objection.

Sir,

In your return of the 23rd October last you have reported under half breed scrip A6061 and A7049, the SW¼ and the W½ of the SW¼ Section 4 Tp. 4 W. 4th M. The area given in the said return for the W½ and the SW¼ of 6 is 72.40 acres. If you will observe on the plan of the Township this area covers that portion of the fractional section lying East of the lake. If therefore there is no objection to the said lying West of the lake I would suggest that the grant be made of that portion of the S½ of this section lying West of the lake containing an area of 252.40 acres. Please let me know if your books correspond with this description.

Dear Sir:

Re: S.E. 34-1-23-W.4th M.
Dennison Emer Harris.
S.E. 34-1-23-W.4th M.
Leo Lot Harris.
Your Ref. - 118,630.

I have your letter of the 26th ultimo and in reply I am to state that according to our records patent for the S.E. 34-1-23-W.4th M. bearing date of the 21st August, 1911, issued in favour of Dennison Emer Harris of Carstion, Alberta.

Upon filing on this land as a homestead on the 4th July, 1909, Mr. Harris stated that he was an American citizen born in the State of Utah, U.S.A. In support of his application for patent executed on the 28th June, 1910, he furnished a Certificate of Naturalization to the effect that he was a British subject, dated the 14th October, 1908. This document was returned to him on the 25th July, 1911, to Carlston P.O., Alberta.

In the case of the second person mentioned, namely; Leo Lot Harris, I might state that he obtained entry for the S.E. 34-1-23-W.4th M. on the 21st August, 1909. At that time he stated that he was a citizen of the United States of America and was also born in the State of Utah, U.S.A. Leo Lot Harris failed to complete the duties under the terms of his entry and the said entry was cancelled on the 21st October, 1910. In view of the fact that he did not make an application for patent he was not called upon to establish the fact that he had become a naturalized British subject, and I am unable to advise you any further in this connection.

Yours very truly,

J. Lorne Turner,

I am in receipt of your letter of the 9th inst. in which you state that you have taken up a homestead entry for the above quarter section of land, and that you have been informed that there was a settler's claim on the land, but that he has since left the country, and you ask if you can make homestead entry for the above mentioned quarter section.

Re S. E. ½ 16 - 13 - 6 - W. 4th M.

The Minister instructed the Agent at Lethbridge in October last that if the entry for this land should be cancelled, and if the applicant for cancellation should not make entry, the land should be reserved in connection with the desire of the Provincial Government to get a site for a demonstration farm at Medicine Hat.

Cancellation has now been carried out.

The applicant for inspection had 30 days to file. He filed at Medicine Hat on the 20th day, but the application was not received at the Agent's office at Lethbridge until one day too late.

The Agent wants to know if he shall accept the entry.

In an ordinary case it would be accepted, but in view of the Minister's letter I think it well to submit the case.

Respectfully submitted,
